

Galined

Madison's Test Prep & College Admissions Experts

TEST PREP AND/OR ACADEMIC TUTOR

Galined Education

Company Overview

Galined Education provides counseling packages for the college admissions process, as well as test prep and academic tutoring services. With extensive knowledge of how the higher educational system functions and a dedication to getting students exactly where they want to be academically, Galined Education ensures individuals make the grades, master the test, and get into college.

Job Overview

Galined Education is looking for tutors in

- Math (pre-algebra, algebra, geometry, trigonometry, calculus, statistics)
- Science (Earth science, biology, chemistry, physics)
- Languages (Spanish, French, German, Latin)
- Test Prep (ACT, SAT, PSAT, AP)

Description

- Conduct individualized tutorial sessions for students based on the skill areas that require additional assistance.
- Design and implement exercises and activities to facilitate student's academic improvement.
- Track improvement and provide records of progress to tutor manager.
- Maintain proper communications between parents, student(s), and manager.
- Compensation ranges from \$30 to \$50 per hour.

Requirements

- Able to work afternoons, evenings, and/or weekends and have access to a car to travel to meet students.
- Willing to commit 4-10 hours per week; hours are very flexible.
- Possess an undergraduate degree from a top-tier institution and have graduated with a 3.5 GPA or higher.
- Have excellent communication skills, both verbal and written.
- Be passionate about education and possess a high level of enthusiasm for the topic for which you tutor.
- Have patience and a strong desire to help students achieve their goals.

Qualified candidates should send a cover letter and current resume to jobs@galined.com.
