

# **Job Title: Kindergarten Support Teacher**

## **Location: Milwaukee Jewish Day School**

The Milwaukee Jewish Day School (MJDS) is a private school in Whitefish Bay, Wisconsin, a suburb of Milwaukee that serves students in grades K3-8. MJDS fosters a future-focused learning environment, where students are challenged and nurtured. The Leadership Team is seeking an intelligent, motivated, passionate, innovative and engaging teaching assistant who will support our kindergarten classroom.

### **This individual will show evidence of:**

- Supporting student voice and choice, as well as student planning, reflection and actions
- Embracing opportunities for the integration of all content areas
- Listening to and acting upon ideas from the classroom teacher
- Demonstrating sensitivity toward each student's academic, social and emotional gifts and challenges
- Believing that discipline means "to teach" and implementing practices that support that definition

### **Preferred Qualifications**

- Teaching experience in an elementary school setting
- Ability to listen to teachers and students and ask meaningful questions .
- A creative problem solver
- A sense of humility
- A positive and optimistic attitude that is exhibited at all times
- A commitment to support the education provided by a Jewish Day School

### **Responsibilities**

- Demonstrate what it means for students and staff to own their learning
- Demonstrate daily that you are open and available to contributing to the delivery of the school's program.
